## Getting A Tax Refund? It Makes Sense To Plan.

There are many options for your refund, but we recommend you avoid the frivolous things. Consider using the funds to build your wealth, pay down debt, make a prudent investment or use it for a down payment on a new car. The credit union offers car loans, with **rates as low as 3.99%** and repayment terms up to 84 months. **Plus**, you can enjoy haggle-free car shopping by getting pre-approved!

- Auto Express Loan – pre-approval and check in hand
- Purchasing power at the dealership
- Finance up to 100% of sticker price or NADA book price

## Apply Online Today!
